

**Auditor's Independent Assurance Report****To the board of directors of Waipa Networks Limited****Report on Waipa Networks Limited's compliance with the Electricity  
Distribution  
(Information Disclosure) Requirements 2008  
for the financial year ended 31 March 2010**

The Auditor-General is the auditor of Waipa Networks Limited (the Company). The Auditor-General has appointed me, John Scott, using the staff and resources of Audit New Zealand, to provide an opinion on the compliance of the attached reports FS1, FS2, FS3, AV1, AV2, AV3, AV4, MP1, MP2, MP3 and AM1 (inclusive) prepared by the Company with the Commerce Commission's Electricity Distribution (Information Disclosure) Requirements 2008 (the Requirements), on her behalf, for the financial year ended 31 March 2010. In this independent assurance report the attached reports are called the "disclosure information".

**Respective responsibilities**

The Board of Directors is responsible for preparing disclosure information which complies with the Requirements.

Clause 10 of the Requirements requires the Auditor-General to provide an opinion that the disclosure information prepared by the Company complies with and is presented in all material respects in accordance with the Requirements for the financial year ended 31 March 2010.

**Limitations and use of this independent assurance report**

This independent assurance report has been prepared solely to discharge the Auditor-General's responsibilities under the Requirements for the financial year ended 31 March 2010. This independent assurance report is not intended to be used for any purposes, other than that for which it was prepared.

Material misstatements, whether caused by fraud or error, are differences or omissions of amounts and disclosures that would affect a user's overall understanding of the disclosure information prepared by the Company.

Because of the inherent limitations in evidence gathering procedures, it is possible that fraud, error or non-compliance may occur and not be detected. As the procedures performed for this engagement are not performed continuously throughout the financial year and the procedures performed in respect of the Company's compliance with the Requirements are undertaken on a test basis, our engagement cannot be relied on to detect all instances where the Company may not have complied with the Requirements. Our opinion has been formed on the above basis.

## **Basis of opinion**

The Company's financial statements for the year ended 31 March 2010 have been subject to audit. The audit opinion on the financial statements of the Company for the year ended 31 March 2010 was unqualified and was dated 3 June 2010.

Our work has been planned and performed to obtain all the information and explanations we considered necessary in order to obtain reasonable assurance that the disclosure information complies with and has been presented in all material respects in accordance with the Requirements. We also included an assessment of the significant estimates and judgements, if any, made by the Company in the preparation of the disclosure information.

## **Historical financial and non-financial information**

We conducted the engagement in accordance with the Standard on Assurance Engagements 3100: Compliance Engagements issued by the New Zealand Institute of Chartered Accountants.

Our work in respect of amounts and disclosures that were audited under the financial statements audit has been limited to agreeing the relevant amounts and disclosures to the underlying records and audited financial statements of the Company.

Our work in respect of amounts and disclosures that were not audited under the financial statement audit, has been planned and performed to obtain all the information and explanations we considered necessary in order to obtain reasonable assurance that the disclosure information has been presented in all material respects in accordance with the Requirements.

## **Prospective financial and non-financial information**

Our work has been limited to assessing whether the information has been presented on a basis consistent with the regulatory accounting or technical measurement requirements used for disclosures for the financial year ended 31 March 2010 and the immediately preceding financial year, and that the information has been calculated based on source data provided by the Company, whilst acknowledging it is likely that actual results will vary from those forecasted, since anticipated events frequently do not occur as expected (and those variations may be significant). We have not performed audit procedures on the source data.

## **Independence**

When carrying out the engagement we followed the independence requirements of the Auditor-General, which incorporate the independence requirements of the New Zealand Institute of Chartered Accountants. We also complied with the Independent auditor provisions on independence, as specified in clause 2(1) of the Requirements.

Other than the engagement and the annual audit of the Company's financial statements carried out on behalf of the Auditor-General, we have no relationship with or interests in the Company.

## **Unqualified opinions**

We have obtained all the information and explanations we have required.

In our opinion:

- the Company has kept proper records to enable the complete and accurate compilation of required information, in all material respects, as far as appears from our examination of those records; and
- the disclosure information prepared by the Company for the financial year ended 31 March 2010 complies with the Requirements.

### **Historical Financial and Non-Financial Information**

In our opinion, the Company has:

- presented the historical financial information included in reports FS1, FS2, FS3, AV1, AV2, AV3, AV4, MP2, MP3 and AM1 for the financial year ended 31 March 2010 that complies with the Requirements, in all material respects; and
- compiled the historical non-financial information included in reports MP1, MP2 and MP3 in accordance with the guidance (if any) issued pursuant to the Requirements, and has calculated the historical non-financial information based on un-audited source data provided by the Company.

### **Prospective Financial and Non-Financial Information**

In our opinion, the Company has:

- presented the information in reports AM1 and MP3 on a basis consistent with the regulatory accounting or technical measurement requirements used for disclosures for the financial year ended 31 March 2010 and the immediately preceding financial year; and
- calculated the prospective financial and non-financial information based on un-audited source data provided by the Company.
