Dimensions of Load

Overall Width Am

Width of Highest Point Bm

Overall Height Cm

Note:

- Running boards must be fitted to guide cables smoothly over the load.
- Waipa Networks requires 15 working days notice for all applications. This allows sufficient time to check all line clearances, provide a quote for any escort & notify customers if any power outages are required.
- Applicants should allow four (4) working days for processing of applications.
- The applicant is responsible for any/all charges related to escorting high loads.
- All escorted loads will incur time and mileage costs
- If the total time exceeds 4 hours, then an extra 9 hours at normal charge out rate, will be added to the cost to cover a stand down period. If you require clarification please contact Waipa Networks Ltd.

To be completed by Waipa Networks
